BE WORK ZONE ALERT

NEWS RELEASE

Sunday night, July 15

- 10 p.m. to 6 a.m. – Up to 3 lanes of eastbound I-10 between San Gabriel Boulevard and Rosemead Boulevard

Although NOT a full freeway closure, **motorists should expect delays and are strongly advised to use alternate routes, avoid the area or use public transit.** Additionally, motorists can check traffic conditions before they leave by calling 511 or visiting the Caltrans Quickmap at quickmap.dot.ca.gov.

Once this \$9 million is completed in late 2018, the bridge improvements will reduce time required for maintenance and minimize the need for further lane closures.

Caltrans thanks you for patience and understanding during construction and reminds you to “**Be Work Zone Alert.**”
